Hey Molly!

Still not sure why I didn't get your email reply, but maybe it got spammed! Anyway, please post the following on the spednet listerv when you have time:

4 College Students Needed to Work with a Child with Autism!!!

- Either undergraduate or graduate students
- Interested in working with a young child who has autism
- Lives in the Cincinnati/Oxford area
- Has their own transportation

Thomas is 3 years old and is in the process of being diagnosed with autism.

- His parents would like 4 students to work about 10-15 hours a week
- Each "tutor" would work at least 2-3 hours each week
- He lives by Kenwood Mall
- His parents will help you get trained by Children's Hospital if you have no experience
- His parents have more information regarding the pay per hour

If interested or if you would like more information, please contact either Kelly Schneider (schneik1@muohio.edu) or Thomas' mom Elizabeth (elizabethmundy@yahoo.com).

Thank you!
